Redwood House Surgery

Supporting you and your family to stay well

Open Afternoon Event at Redwood House Surgery

We are inviting patients between the ages of 40-74years old

Please come along to our OPEN Afternoon event to have your Blood Pressure measured and healthy lifestyle education.

Date: 17th January 2025

Timings between 12:30pm-1:30pm

We are offering walk in service to have your Blood Pressure checked with a clinician.

The Health Coach, Social Prescriber and Care co-ordinator will also be there to offer healthy lifestyle advice and support.

Patient Participation Group members and Assistant Practice Manager Neha will be onhand to talk with you about Redwood House Surgery.
